## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 103***

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
2. Claims 10-12 and 15-17 stand rejected under 35 USC 103(a) as being unpatentable over US 5,208,098 issued to Stover in view of US 4,924,527 issued to Hintermeyer and US 5,203,793 issued to Lyden, as set forth in the last Office Action, section 5.

### ***Response to Arguments***

3. Applicant's arguments filed on February 4, 2003, have been fully considered but they are not persuasive.
4. Applicant traverses the above rejection by asserting that the GORE-TEX<sup>®</sup> films of Hintermeyer and Lyden "would not function in the present cover for the aerobic treatment of biodegradable material, since said films are not air permeable (Request for Reconsideration, page 2, lines 3-13). In response, it is noted that applicant's assertion is unsupported. The examiner can find no such teaching of impermeability within the disclosures of Hintermeyer and Lyden. Secondly, the teachings of Lyden appear to teach air permeability. Specifically, just before the GORE-TEX<sup>®</sup> teaching, Lyden teaches "waterproof, but nevertheless substantially breathable fabrics with respect to gases including water vapor" (col. 15, lines 43-47). One would presume that this teaching of gases would inherently include air. Therefore, applicant's arguments are found unpersuasive and the above rejection is maintained.

***Conclusion***

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
